I've mentioned our email-handling company and/or their web push feature in the following posts:

- [Get Notified – A New Way](#)
- [A New Page...](#)
- [The Importance of Being Junk](#)
- [Outgoing Email Locked?](#)

Now, it's their turn to mention our 4KCC Blog. Have a look at these two posts and see if you can find where we are highlighted:

[Web Push Notifications | AWeber](#)

[4 Ways to Grow your Blog with Web Push Notifications | AWeber](#)

Speaking of the web push feature, if you haven't signed up yet, you should do so now. Just look for the feature in the right-hand column of any of our blog pages.
