

As we come to the close of 2010, I am once again amazed at the faithfulness and love of God.

This past year I have been able to travel across the USA, Mexico, and Ecuador twice representing Eagles' Wings. Our team has continued to mentor and disciple the next generation of leaders through our internship programs, and we saw over 300,000 churches participate in the Day of Prayer for the Peace of Jerusalem!

Perhaps the most exciting thing that happened this year was that I completed the renovation on my house bringing an 18-month project to an end and enabling me to move in to my apartment.

I want to personally thank each and every one of you who have stood with me and my work with Eagles' Wings in prayer and financial support throughout this year. You are not simply standing with me personally, but you are literally accomplishing the work of the Lord in the nations of the earth through your partnership.

I pray a special blessing on your lives and households this holiday season. Looking forward to an AMAZING 2011 with you!
