Subject: hello

Hello my dear. I am sure that you are surprised to receive my letter. But I beg you not to be scared.

I was provided with information about you in the dating bureau, I liked you and I decided to write to you.

At first I wanted to call you, but then I thought it would be better if you see my photo.

I hope you liked me. This is quite a frank photograph, but I have nothing to hide from you.

Because I'm looking for a partner for sex. Please do not show this photo to anyone.

Subsequently, I may have problems because of this.

Now I am in the process of divorcing my husband, he has ceased to be interested in me and my body.

I would like to get to know you better and meet you. But I can not correspond with you through the mail is a working mail.

It seems to me that my husband is watching me and I do not want his lawyer to have reason to leave me without money.

Now lawyers are engaged in the division of our property. My husband and I have a joint business in the field of refrigeration equipment sales.

In a couple of weeks I will be a free and wealthy woman, but for complete happiness I need a friend and lover.

I am now in your city, I came here for a working business trip, but every evening I sit alone in a hotel room and miss.

I will be still in your city for about 1 week and I want you to meet with me and check the night together.

But before you and I meet, I would like to see you through the webcam, in order to understand whether you are cute to me or not.

You can register on this site! Free registration! After registration, you can find me there by ID438976283.

I am always there online. If you after registration fail to find me then write me your ID to the post office, I will find you myself.

I'll be waiting for you in the chat. See you later. Hugs and kisses.
