Question Of The Week

June 23, 2019

Dear Valued Customer,

Thanks to everyone who helped us last week by subscribing to the 4KCC YouTube channel. If you haven't done so already, you have another opportunity at our question and answer below.

We receive more positive feedback on our blog posts than on anything else we do. If you aren't signed up for our blog, please consider doing so. Just click [HERE](#).

REMINDER: Microsoft and/or Apple will NEVER call you out of the blue, they will NEVER cause a window to appear on your device warning you that it's infected and that you should not turn it off or you'll lose everything. These are SCAMS.

Have a terrific week. Look for more videos this week and, of course, our blog posts.

John

Question of the Week

Question:

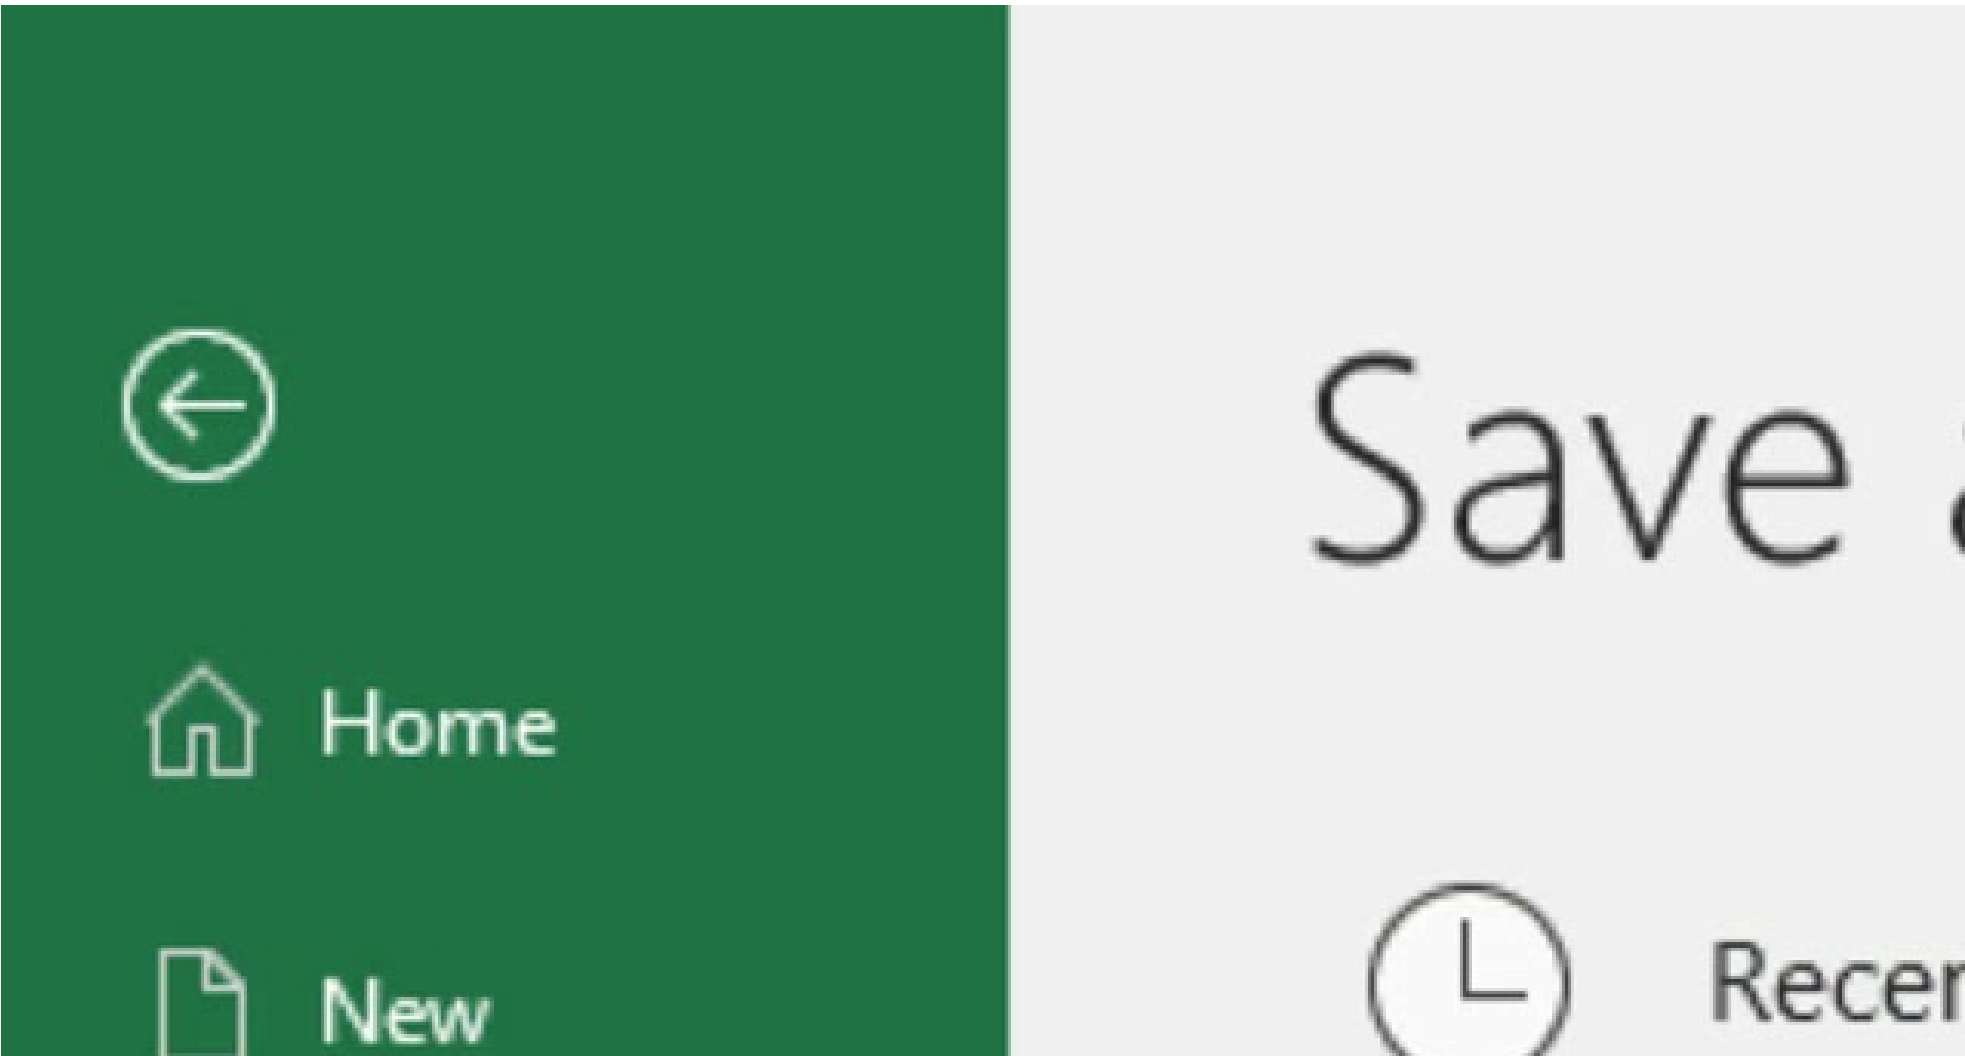

"How can I save a Microsoft Excel spreadsheet as a PDF?"

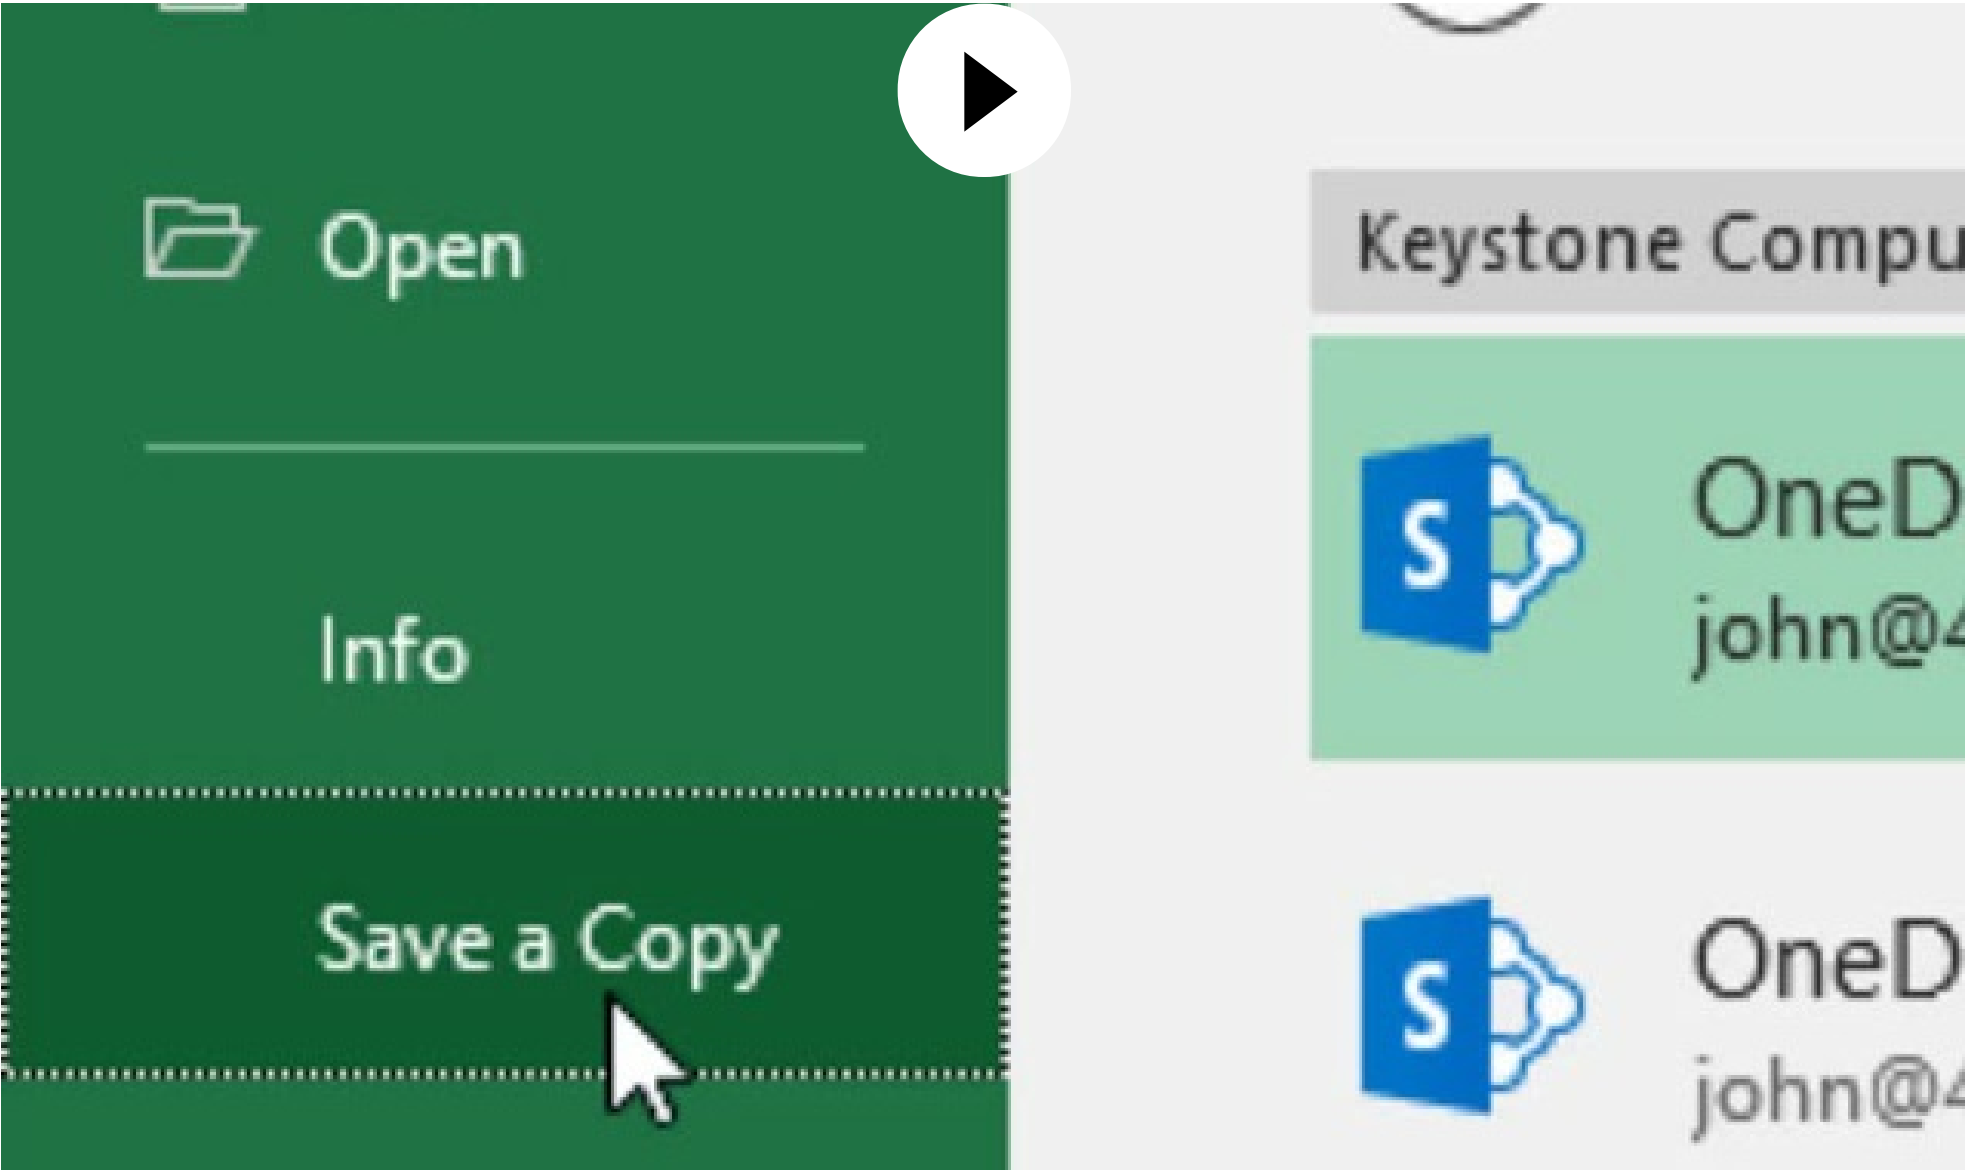

Answer:

I've been asked this question before and I've dragged by feet on creating a video to explain how easily saving an Excel spreadsheet as a PDF can be.

This time when I was asked, I decided to go ahead and create a video. If you watch the video, please consider two things; 1) If you aren't following the 4KCC channel, please subscribe. If you watch the video and enjoy it, please click the "Like" icon (a thumbs up picture.)

Here's the video:

Next Seminar

We're on our summer break from seminars! Our next seminar is Saturday, September 14, 2019. The seminar title is "Hi-yo, Silver" and it will be from 10:00 a.m.-12 Noon. The cost is still \$8 per person. Our seminar will be held in the Fellowship Hall of [Trinity United Methodist Church, 2221 NE Savannah Rd., Jensen Beach, FL 34957](#)
(Click on the church name for directions.)

Summer Hours continue! Find out what they are by clicking [HOURS](#).
